LIEUTENANT GOVERNOR'S CHALLENGE

IMPORTANT INFORMATION

The start

- Official start time: 3.00am on Saturday 15th June 2024 from Elizabeth Terminal.
- Please arrive 30 minutes before the start time to ensure you are ready for the official start with the Lieutenant Governor.
- All walkers should start at the same time since the Checkpoints are geared to open from this start time.
- Don't forget to wear your checkpoint card around your neck.

SPONSORSHIP MONEY - MOST IMPORTANT!

- With over 1,200 registered walkers, you can all help raise some serious money for local charities - you are undertaking a considerable challenge and we really would like to raise over £100,000 again this year. Please try to make the most of your sponsorship by spreading the word on social media or passing the Official Sponsor Form around family, friends and work colleagues.
- On average, we have found over the years that a large number of walkers raise in excess of £100 each.
- You can hand over your sponsorship to cashiers over the counter at Lloyds Bank in Broad Street, St Helier – just complete the bank payment slip and hand it over with your sponsorship.
- You can also pay money to us direct / online - our Bank details: **Lloyds Bank – Account: 59444068, sort code 30-94-61.**
- Make cheques payable to the **“Around the Island Walk Trust”** and put your walker number on the reverse.
- **Jersey residents only** - As a Jersey registered charity we may reclaim the tax applicable on **any single donation of £50 or more** made by an individual or a company under the lump sum donations scheme. If you have been a resident in Jersey for at least 3 years and pay tax, then please complete the Tax Rebate Form (R10) – the charity is the **“Around the Island Walk Trust”** – if you have queries, please visit www.gov.je/TaxesMoney/IncomeTax/Charities/Pages/MakingDonation

Checkpoints

- You **MUST HAVE YOUR CHECKPOINT CARD SCANNED** at each Checkpoint, so we can track your progress and know that every walker is safe and sound. Failure to do so may cause us to alert the rescue services who will come out looking for you.
- If you lose your personal checkpoint card, inform a Checkpoint Marshal so that your details are recorded and you can be issued with a replacement. If you are not continuing with the walk, please inform a Checkout Marshal, so they can withdraw you.

What to bring

- Sufficient food and drink, but remember we provide water, juice and crisps at Checkpoints. Thanks to Jersey Water, we will be able to provide large water tanks at some of them. Please bring refillable flasks and help us reduce the use of plastic.
- Spare clothes / socks / shoes or boots, as some wet weather gear if the forecast is poor.
- Personal foot products / first aid products / sun cream and/or sun block and sun hat.

Safety

- You must drink plenty of fluids throughout the walk - protect your head and use sunscreen or sun block.
- Look after your feet - if your feet, knees or hips are getting too painful **STOP** at the next Checkpoint. If you have to stop between Checkpoints, stay on the route, ask others to relay a message to Marshals and wait – we will send someone to you.

Litter

- **ONLY 1 RULE ... PLEASE DO NOT DROP ANY!** Please use disposal points at each Checkpoint and public litter bins along the route. We will use over 10,000 bottles of water alone, so please put empty ones in the recycling bags at each Checkpoint.

Transport

- Regular bus services should be running. Check out www.libertybus.je for timetables (timetable subject to change beyond our control).

The end

- Please look for the LG Finish to collect your medal and scan out.

Finally ... we wish you all every success on reaching your own personal goals whether it's to finish, or reach a particular Checkpoint - please remember **this is not a race** and enjoy the wonderful views along the beautiful coast of Jersey!
